

THE DIAMOND APPROACH®

What is love?

We use the word all the time as if we know very well what love is — what it means and what it's all about — but, in fact, we each only have our own ideas about what love is. In his latest book *Love Unveiled*, A.H. Almaas looks at the experience of love and uses Rumi's poetry to explore the spiritual essence of love. Curious to learn more?

Join Diamond Approach founder A.H. Almaas June 13 for a FREE two-hour online event about his book *Love Unveiled*.

Love Unveiled with A.H. Almaas

In this special two-hour event, A.H. Almaas (Hameed Ali) will take us through a discussion and exploration of what love actually is and how love is a spiritual presence manifesting in the heart.
